VERSATILE **DESIGN**

Design trends come and go, but EchoWool can adapt to all of them. Shown here in a neutral white, it complements the industrial windows and light fixtures of this interior, but a simple coat of paint could transition EchoWool to become the focal point. The choice is yours, and your options are limitless.

LAY-IN CEILING
APPLICATIONS

Lay EchoWool into a standard T-Grid for a quick and dramatic ceiling transformation. Panels are pre-cut to size and do not require any mounting hardware.
