Marc Sawyer Named Industrial Project Manager, Leading Industrial Division

Agawam, MA – December 4, 2024 - Sound Seal, a Catalyst Acoustics Group brand and leading manufacturer of noise control products serving the industrial, architectural, commercial and construction industries, has promoted longtime employee, Marc Sawyer, to Industrial Project Manager, effective immediately. In his new role, Marc will lead the industrial division, managing the team of inside industrial estimators while maintaining and growing customer relationships to drive sales of industrial products.

Marc possesses extensive experience in both engineering and project management. Since joining the organization in 2005, his roles have included Estimator, Product Manager / Application Engineer, and Project Manager, overseeing HVAC and OEM products. A customer-focused employee, he has consistently demonstrated a deep understanding of Sound Seal's business and products, and a commitment to solving customer noise complaints.

Mark Rich, Vice President of Sales and General Manager, shared that, "For nearly 20 years, Marc has been a staple at Sound Seal, and he's been a key part of our success. We are thrilled to promote him to this important position."

Aaron Duncan, Inside Sales Manager, likewise expressed enthusiasm sharing that, "I can't think of anyone more deserving of this promotion than Marc. His dedication and expertise are invaluable and I can't wait to see him grow into this position."

About Sound Seal
Since 1978, Sound Seal has been a leading manufacturer of acoustical noise control products, offering the widest product selection in the soundproofing industry with innovative solutions and outstanding customer service. Sound Seal consists of three product divisions: the Industrial Division that addresses in-plant and environmental noise control; the Architectural Division that handles interiors and finishes, including an award-winning line of WoodTrends products; and the Impacta Flooring Division that offers floor underlayments.
