ULTRA

ACOUSTICAL BAFFLES

Sound Quality® Ultra Baffles are perfect for most applications, including ones for swimming pools and other harsh environments, as well as applications that require durability and cleanability.

Ultra Baffles are available 1-1/2" with a 1.6# pcf semi-rigid fiberglass core or 2" thick with a 3# pcf semi rigid fiberglass core. Ultra Baffles are encapsulated with a reinforced polyester film.

Standard size is 2' x 4'. Ultra baffles are available 1-1/2" thick with a maximum size of 4' x 8' with a 3# pcf semi-rigid fiberglass core.

FINISH

Reinforced white polyester film

ACOUSTICAL

Sabins per baffle depends on core material; consult factory for details
